J.R. Equipment

<https://www.jrequipments.com/>

We are one of the leading manufacturers, suppliers, traders and retailers of an amazing range of high quality Commercial Kitchen Equipment. The offered products are highly regarded for their durability and optimal resistance properties.

About Us

Set up in the year **2011**, we at **J.R Sales & Services** are continuously engaged in manufacturing, supplying, trading and retailing an exclusive range of Commercial Kitchen Equipment that consists of Kitchen Equipment, Hotel Kitchen Equipment & Canteen Kitchen Equipment. Known for our high quality products, we constantly endeavor to deliver them in accordance with the customers' requirements. Owing to the application of innovative technology and our skilled manpower, we have been able to come up as one of the trusted names in this industry.

Conferred with an efficient team of experts and superior infrastructural facility, we manufacture our products with the help of essential tools and machines that are based on the prevailing technological trends. Our entire facility is efficiently divided into different dedicated departments to ensure smooth functioning of our business. We have a well-trained warehousing & packaging division in our firm which ensures safe and systematic storage of our extensive range of products. Our diligent team of professionals helps us to meet the exact demands of our customers, which is essential for attaining a strong position in the market.

We are a proprietorship firm, which is guided by **Mr. Jitendra Velari**, who has years of experience in this industry. Owing to his excellent leadership and efficient supervision, we have been able to establish a great rapport in the competitive market....
